THE DESIGN PLAN

A balanced kitchen and dining layout

The key working zones are clearly defined while the centre of the room remains open and easy to move through.

LAYOUT HIGHLIGHTS

- 1 **Tall pull out storage**
A 600 mm Convoy larder keeps everyday food and essentials organised.
- 2 **Dedicated cooking zone**
The 900 mm induction range cooker is framed by useful drawer storage.
- 3 **American fridge freezer**
The freestanding appliance is positioned close to cooking and dining.
- 4 **Glazed display cabinet**
A lighter feature cabinet adds character above the preparation run.
- 5 **Sink and preparation run**
The double bowl Belfast sink sits within a generous Minerva worktop run.

COMPLEMENTARY NOTES

**Duck egg**

The established cabinet colour

**Warm ivory**

Echoes the worktop base tone

**Natural oak**

Adds practical warmth and texture

**Muted sage**

A quiet textile accent

**Warm metal**

Picks up the copper particles

WHY THE PAIRING WORKS

The cool blue green cabinetry balances
the warm metallic detail in the worktop.
